Workplace First Aid Skills Practice Session & CPR – 6 hrs

This is a practice session designed to meet the WorkSafe NB requirement for those holding an existing Workplace Standard First Aid certification to have 6 hours of practice each year. The entire Workplace Standard First Aid course must be repeated every 3 years.

Emergency First Aid with CPR "C" and AED – One day

This is a safety oriented basic first aid course with adult, infant and child CPR along with Automated External Defibrillator (AED) training. Students will learn lifesaving skills to manage the scene of an injury. Emergency First Aid takes place the first day of the Workplace Standard First Aid Course. If you are required to meet WorkSafe NB regulations, please register for the 2-day Workplace Standard First Aid course.

Workplace Standard First Aid with CPR C & AED – Two days

Workplace Standard First Aid is designed to provide comprehensive first aid training for workplace requirements or general public interest. Students will learn life saving skills, adult, infant and child CPR along with Automated External Defibrillator (AED) training. This course meets the regulations of WorkSafe NB.
